Dear Parent /Guardian,

Health and safety is the need of the hour at the outbreak of corona virus COVID -19. The schools have refrained from conducting regular activities as per government instruction. Academics for board classes should not be affected, so we have uploaded the links of some pre-recorded tutorials prepared by our school teachers for classes X and XII. The links will be available on our school website on and from Saturday 21 March 2020.

The tutorials of other classes will be shortly available. Your child should avail this opportunity to gain the most out of it.

Yours truly,

Principal
