AUGUST 2022

### PLATINUM HUES OF THE TRICOLOUR

VANDE MATRAM ! rejoiced the proud Aryamanites, stimulating the high spirits of completing 75 years as an independent India.

On the morning of 15th August, India celebrated its 76th Independence Day, and so did our School. The enthusiastic performances of our skillful students ignited patriotism in the present audience. From the flag hoisting followed by the national anthem to the eloquent speech by Mimansha Tewari, from the musical performance by the melodious choir to the performance of dancers of winning houses in the dance competition, all the performances reflected the feeling of nationalism and devotedness towards our country.

So this year, let's understand the true meaning of independence - making our country free from all the evils prevailing in our society, correcting the wrongdoings, and taking a step to make our country truly independent.

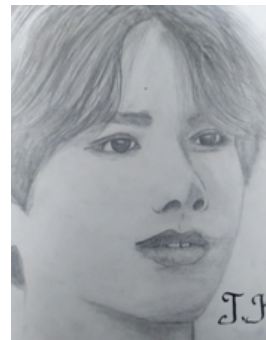

### COMMUNITY OUTREACH

A group of students from classes VI to VIII visited a Government Primary School on 23rd August, 2022, with teacher escorts and support staff. They interacted with people from different sections of society and learned about the functioning of a government school along with schemes and projects such as midday meals and rainwater harvesting plant run at the school.

Students conducted various interesting and fun-filled activities wherein gifts were given as tokens. They showcased and shared their skills and witnessed the different presentations of song, dance, riddles, and recitation presented by the students of the Government school.

### ART GALORE

## FANTASTIC FUN AND FROLIC

On 25th August, 2022, an interesting twist in the school routine awaited class V students in the form of a surprise party which was thoroughly enjoyed by each and every student. The party was arranged in the lawn with music for dance, and games for fun and frolic. The on-the-spot goodies were relished by the students, adding thrill to the surprise element.

## RENDEZVOUS WITH OUR TRAILBLAZERS

Our alumni, Dr. Monika Sivali and Dr. Vashu Aggarwal conducted a Health and Hygiene session with the students of classes V, VI, and VII and interacted with them, answering their queries regarding various health and medical conditions. They also spoke about the significance of academic rigour and time management. Students enjoyed listening to their interesting anecdotes of school life and experiences. Both the alumni are 2011 batch pass out, Dr. Monika is pursuing MD and working as a Junior Resident doctor while Dr. Vashu is working as Medical Officer.

## HANDS-ON VETERINARY & ANIMAL SCIENCES

Students of grade XII, Biology stream visited the College of Veterinary & Animal Sciences, G. B. Pant University of Agriculture & Technology, Pantnagar. The group interacted with experts to get an insight into a wide range of living organisms, from insects to canines, from plant life to animal husbandry, as well as food production to preservation. They also visited research labs and learned about the different procedures involved in research work.

## BEND IT LIKE BEKHAM!

7 A side Interschool Football Tournament was held on 27th August, 2022. Four schools- Ashok Hall Girls' Residential School, Nirmala Convent School, Cynthia Senior Secondary School and Aryaman Vikram Birla Institute of Learning participated in the qualifying rounds.
