NOVEMBER 2022

Coming Together for the Kids

Healthy collaboration between parents and school plays a pivotal role in the holistic development of tender souls. Various activities were organised for the little busy bees and their parents on the day of 'Fun Fiesta'. Interaction with the invited parent guests, Dr. Ruchi Bhandari and Dr. Anita Bhatt, about healthy nurturing of kids, was the highlight of the day.

Celebrating the Child Within

To revitalise the youthful spirit and innocence, the fun-filled Children's Day began with a special morning assembly by the teachers. A festive dance party and group games were a much-awaited break from the routine. Children's Day souvenirs brought bright smiles to every face.

Magical Moments with Tiny Tots

'Shining faces, cheerful smiles,
Joyful laughter, rhythmic feet.
Let's enjoy the birthday treat!

Our School skipped no moment of delight by scheduling a birthday bash for 21 kindergarteners born in the months of October and November.

The cake-cutting ceremony began with all the classmates cheerfully singing the birthday song for them.

Visiting the Glorious Past

Classes IX-XII leapt into the portals of the past as they visited the historical heritage of Delhi and Agra in the second fortnight of November. The students returned enriched with enhanced learning and a bag filled with great memories.

Vibrant Display of Sportsmanship

Inter-school Sports spectacle started with the Girls' Football Tournament among seven teams. Shivalik International School won the tournament, while Aryaman Vikram Birla Institute of Learning was the runner-up.

The Boys' Football and Cricket Tournaments comprising nineteen teams concluded with St. Theresa Senior Secondary School as the champion.

A Telescopic View of the Blazing Sun

The enthusiastic 6th graders welcomed the research scholars from the Institute of Astronomical Science, Nainital. The guests added to students' knowledge about the Solar system with the help of phenomenal demonstrations. Amongst multiple illustrations, the telescopic view of the "Sunspots" was an exhilarating experience for the young minds!

Learning Beyond Campus

Field trips of grade XII to Tata Motors Rudrapur, Uttarakhand Open University, Zeemium Private Limited, Nayagaon and HSR Enterprises, Puranpur, magnified students' observation, critical thinking and entrepreneurial skills. The Constitution Day Programme through the community radio "Hello Haldwani" at Uttarakhand Open University proved that the entire world is a classroom for students.
