Dear Parent/Guardian

We remain connected with you and our students at this hour of crisis, we must appreciate our students for being so proactive and responsible.

The Pandemic has disturbed the normal functioning in all spheres of life. Considering the difficulties that have arisen out of the present situation we have extended the time period for payment of fees for this session with waiving of late fees. Delayed payment for this session will be accepted without any extra charges.

We thank you for your patience and understanding. We are extremely appreciative of your positivity and resilience. Together we will definitely sail through this testing time.

Yours truly,

Principal
